

BEV'S 70 BIRTHDAY SONG LIST

1. I'm Blessed: ETERNAL

Ooh, hmm
Here in the silence I say a prayer
Though I've never seen you somehow I know you're there
You're in the faces of the people that I meet
You're as silent as the Earth beneath my feet
So if I should complain that all I have is not enough
Forgive me, I've been given so much

CHORUS

And I am blessed, every time I look into my baby's eyes
I think of all the friends who've touched my life
I realise in a world where some have more and some have less
I have loved and I am blessed

2. Summer Holiday: Cliff Richard & The Shadows

We're all goin' on a summer holiday
No more workin' for a week or two
Fun and laughter on our summer holiday
No more worries for me or you
For a week or two
We're goin' where the sun shines brightly
We're goin' where the sea is blue
We've seen it in the movies
Now let's see if it's true
Everybody has a summer holiday
Doin' things they always wanted to
So we're goin' on a summer holiday
To make our dreams come true
For me and you

3. I'm A Believer: The Monkees

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all my dreams

And then I saw her face
Now I'm a believer
And not a trace
Of doubt in my mind
I'm in love
I'm a believer
I couldn't leave her if I tried
I thought love was more or less a given thing
The more I gave the less I got, oh yeah
What's the use in trying?
All you get is pain
When I needed sunshine I got rain
Then I saw her face
Now I'm a believer
And not a trace
Of doubt in my mind
I'm in love
I'm a believer
I couldn't leave her if I tried
What's the use in trying?
All you get is pain
When I wanted sunshine I got rain
And then I saw her face
Now I'm a believer
Not a trace
Of doubt in my mind
I'm in love
I'm a believer
I couldn't leave her if I tried

4. What a Feeling: Irene Cara

Well, I hear the music
Close my eyes, feel the rhythm
Wrap around, take a hold of my heart
What a feeling
Being's believin'
I can have it all, now I'm dancing for my life
Take your passion
And make it happen
Pictures come alive
You can dance right through your life

Now I hear the music
Close my eyes, I am rhythm
In a flash, it takes hold of my heart
What a feeling
Being's believin'
I can have it all, now I'm dancing for my life
Take your passion
And make it happen
Pictures come alive
Now I'm dancing through your life

6. Dancing Queen: Abba

You can dance, you can jive,
Having the time of your life
See that girl, watch that scene,
Diggin' the Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music,
Getting in the swing
You come to look for a King
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance
You are the Dancing Queen,
Young and sweet, only SEVENTY !!!
Dancing Queen,
Feel the beat from the tambourine
You can dance, you can jive,
Having the time of your life
See that girl, watch that scene,
Diggin' the Dancing Queen

7. Could it Be I'm Falling: David Grant

Since I met you, I've begun to feel so strange
Every time I speak your name
That's funny, you say that you
Are so helpless too
That you don't know what to do
Each night I pray there will never come a day
When you walk and take your love away
Say you feel the same way too
And I wonder what
It is I feel for you
(Could it be I'm falling in love)
With you, baby
(Could it be I'm falling in love)
Woo
(Could it be I'm falling in love)
With you
With you
With you
(With you)

I don't need all those things that used to bring me joy
You've made me such a happy boy
And honey, you'll always be
The only for me
Meeting you was my destiny

You can be sure I will never let you down
When you need me I'll be around
And darling you'll always be
The only for me
Heaven made you specially - Woo
(Could it be I'm falling in love)
With you, baby
(Could it be I'm falling in love)
(Could it be I'm falling in love)
With you
With you
With you
(With you)

8. One Love: Bob Marley and the Wailers

One love, one heart
Let's get together and feel alright
Hear the children crying
One love,
Hear the children crying
One heart
Saying give thanks and praise to the Lord and I will feel alright
Saying let's get together
And feel alright

Let them all pass all their dirty remarks (one love)
There is one question I'd really love to ask (one heart)
Is there a place for the hopeless sinner
Who has hurt all mankind just to save his own beliefs?

One love, one heart
Let's get together and feel alright
As it was in the beginning
One love
So shall it be in the end
One heart
Let's sing praise to the Lord
And I will feel alright

One Love lyrics © Mijac Music, Fifty Six Hope Road Music Ltd., Blackwell Fuller Music Publishing Llc

9. I Wanna Dance with Somebody: Whitney Houston

Aah
Yeah
Woo
Hey yeah
Haa
Ooh yeah
Ah-ha
Yeah
I wanna dance

Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up 'till now
It's the light of day that shows me how
And when the night falls, the loneliness calls
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

10. Don't You Want Me: Human League

You were working as a waitress in a cocktail bar
When I met you
I picked you out, I shook up and turned you around
Turned you into someone new
Now five years later on, you've got the world at your feet
Success has been so easy for you
But don't forget, it's me who put you where you are now
And I can put you back down too
Don't, don't you want me?
You know I can't believe it when I hear that you won't see me
Don't, don't you want me?
You know I don't believe you when you say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back, or we will both be sorry
Don't you want me, baby?
Don't you want me, oh?

Don't you want me, baby?
Don't you want me, oh?

11. Que sera sera : Doris Day

When I was just a little girl
I asked my mother, what will I be
Will I be pretty
Will I be rich
Here's what she said to me
Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

When I grew up and fell in love
I asked my sweetheart, what lies ahead
Will we have rainbows
Day after day
Here's what my sweetheart said
Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

12. With A Little help from my Friends: Joe Cocker

What do I do when my love is away?
Does it worry you to be alone?
How do I feel at the end of the day?
Are you sad 'cos you're on your own?

No, I get **by with a little help from my friends**
Mm, get **high with a little help from my friends**
Mm, gonna **try with a little help from my friends**

Do you need anybody?
I need someone to love
Could it be anybody?
All I need is someone to love

Oh, I get **by with a little help from my friends**
Mm, get **high with a little help from my friends**
Oh, I'm gonna **try with a little help from my friends**

13. Angels: Robbie Williams

I sit and wait
Does an angel contemplate my fate?
And do they know the places where we go
When we're grey and old?
'Cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection, whether I'm right or wrong
And down the waterfall, wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

14. Stayin' Alive : The Bee Gees

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud and women warm, I've been kicked around
Since I was born
And now it's alright, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'
And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive

*Songwriters: Barry Alan Gibb / Maurice Ernest Gibb / Robin Hugh Gibb

15. Shackles : Mary Mary

Whoo
It sure is hot out here
Ya know?
I don't mind thought
Just glad to be free
Know what I'm saying, uh

Take the shackles off my feet so I can dance
I just want to praise you
(What ya want to do?)
I just want to praise you
(Yeah, yeah)
You broke the chains now I can lift my hands
(Uh feel me?)
And I'm gonna praise you
(What ya gon do?)
I'm gonna praise you

In the corners of mind
I just can't seem to find a reason to believe
That I can break free
Cause you see I have been down for so long
Feel like the hope is gone
But as I lift my hands, I understand
That I should praise you through my circumstance

Take the shackles off my feet so I can dance (I can dance)
I just want to praise you (I just want to praise you)
I just want to praise you (I just want to praise you)
You broke the chains now I can lift my hands (I can lift my hands)
And I'm gonna praise you
I'm gonna praise you

Everything that could go wrong
All went wrong at one time
So much pressure fell on me
I thought I was gon' lose my mind
But I know you want to see
If I will hold on through these trials
But I need you to lift this load
Cause I can't take it no more

Take the shackles off my feet so I can dance (so I can dance)
I just want to praise you (woo-hoo-hoo)
I just want to praise you (yeah)
You broke the chains now I can lift my hands (woah, yeah)
And I'm gonna praise you (I'm gonna)
I'm gonna praise you (I'm gonna, I'm gonna praise you)

16. Raining Men: The Weather Girls

Hi!
(Hi!)
We're your Weather Girls
(Uh, huh)
And have we got news for you
(You better listen!)
Get ready, all you lonely girls
And leave those umbrellas at home
(Alright!)

Humidity is rising
Barometer's getting low
According to all sources
The street's the place to go
'Cause tonight, for the first time
At just about half-past ten
For the first time in history
It's gonna start raining men

It's raining men! Hallelujah!
It's raining men! Amen!
I'm gonna go out to run and let myself get
Absolutely soaking wet!
It's raining men! Hallelujah!
It's raining men! Every specimen!
Tall, blonde, dark and lean
Rough and tough and strong and mean

God bless Mother Nature
She's a single woman too
She took off to heaven
And she did what she had to do
She taught every angel
And rearranged the sky
So that each and every woman
Could find her perfect guy
It's raining men! Hallelujah!
It's raining men! Amen!
It's raining men! Hallelujah!
It's raining men!

17. Ain't No Mountain: Diana Ross

.... AAAAAAH! (x4)

Ooo.... Ooo.....Ooo... oooh

If you need me, call me

No matter where you are, no matter how far

Just call my name, I'll be there in a hurry

On that you can depend and never worry

No wind (no wind), no rain (no rain)

Nor winter's cold

Can stop me, babe (ooh babe), baby (baby)

If you're my goal ... aaah

No wind (no wind), no rain (no rain)

Can stop me, babe

If you wanna go AAAAAAH! (x4)

Ooo.... Ooo.....Ooo... oooh

I know, I know you must follow the sun

Wherever it leads

But remember

If you should fall short of your desires

Remember life holds for you one guarantee

You'll always have me

And if you should miss my love

One of these old days

If you should ever miss the arms

That used to hold you so close, or the lips

That used to touch you so tenderly

Just remember what I told you

The day I set you free

Ain't no mountain high enough

Ain't no valley low enough

Ain't no river wild enough

To keep me from you

Ain't no mountain high enough

Ain't no valley low enough (say it again)

Ain't no river wild enough

To keep me from you

Ain't no mountain high enough

Nothing can keep me

Keep me from you

INSTRUMENTAL

Ain't no mountain high enough

Ain't no valley low enough (one more time)

Ain't no river wild enough (say it again)

To keep me from you

Ain't no mountain high enough

Nothing can keep me

Keep me from you AAAAAAH!

Nothing in this world
